I attached the option paper in the invite but attach it here again. Also attached is a draft supplement on Options 3 and 4 that Dennis asked for. Dean's comments on the supplement are included. I'm still awaiting feedback on the supplement from others. This is moving faster than I realized when I scheduled our Tuesday meeting. Dennis has sent an invite to talk with Cyndy, Jim Woolford and Dennis again at 3 p.m. Monday to discuss what to propose to the Administrator. I think Dennis wants to talk with the Administrator. Personal Privacy / Ex. 6 You should have gotten the invite to the Monday meeting.

I definitely need to get up to speed on Portland Harbor. I don't think I even know exactly what our options are. I will be in DC next week but this meeting seems late enough that I can do it by phone. Can you call me on my cell - Personal Privacy / Ex. 6

Also, can you send me one of the background papers that talks about the options so I can put option 4 into context?

Thanks.

Jim and Dennis wants me to flesh out how we would implement Option 4 (they agree we would not seek reimbursement of our FS costs from the LWG using this approach). Once that is done they want to brief Administrator McGarthy about the proposal.
